REF: Josam List Price Increase

Dear Valued Customer,

Due to continued inflationary pressure and increased material costs, effective January 1, 2025, Josam Company is implementing a 5% list price increase on all product lines. This increase will be applied to:

- Josam Specification Drainage Products
- Josam Stainless Steel Drains
- Josam Stainless Steel Push-Fit Products
- Josam Pro-Plus® Trench Drains

All orders at current pricing must be entered with Josam Company by the end of day on December 31, 2024, and scheduled for immediate release.

We assure you that we remain strongly committed and dedicated to providing you with the quality products, service, and innovation that you have come to expect from Josam Company.

We thank you and value your continued business and support. Should you have any questions please do not hesitate to contact your local Josam Representative or Josam Regional Manager.

Sincerely,

Paula M. Bowe
Vice President of Sales and Marketing
