**Subject:** Upcoming Price Adjustment Effective March 20, 2025

**Date:** February 20, 2025

Dear Valued Customer,

Rising raw material costs, including increases in both paint and steel, are impacting our business. As a result, McElroy Metal will implement a **7% price increase** on all products.

To secure current pricing, please ensure that:

1. Orders are received by **Noon on March 20, 2025**
2. Orders ship on or before **April 4, 2025**

To maintain fair access to materials, McElroy Metal reserves the right to limit order quantities based on historical usage.

We anticipate further price increases due to raw material costs and additional tariffs in the coming months. We will keep you informed as new details emerge. We sincerely appreciate your business and continued support.

If you have any questions, please reach out to your McElroy Metal representative.
