**RE:** Price Increases

Dear Valued Customer,

To continue delivering the high-quality products and services you rely on, we regularly evaluate our costs across production, materials and operations. Due to sustained increases in these costs, including recent tariffs on international imports, we are implementing a price adjustment on our products, effective April 1, 2025. These adjustments will apply to all shipments after this date.

Our anticipated pricing change ranges are reflected in the table below:

PRODUCT CATEGORY	INCREASE %	EFFECTIVE DATE
Adhesives	5 - 10%	April 1, 2025
Fasteners, Plates, Tools and Other Products Offered	10 - 20%	April 1, 2025

To maintain supply for all our customers, we will review order quantities during this period and may limit excessively large orders placed prior to the price adjustment.

Thank you for your continued partnership with OMG Roofing Products. We are committed to providing you with high-quality products and exceptional service to support your business success. We greatly value your business and remain dedicated to meeting your needs. Please don't hesitate to reach out with any questions or concerns.

Sincerely,

John McMahon
