Subject: Price Increase Effective April 1st, 2025

Skyline Building Systems Inc., dba Dec-Tec™, would like to thank you for your support over the past year.

It is always our goal to maintain our pricing for as long as possible. Evidence of this price maintenance is found in the time since our last increase notice which took effect December 1st, 2022. This means we have been able to offer our product at its price for over 2 years and will continue to do so for another 2 months.

At this time, we must announce a price increase, that is as follows, effective April 1st, 2025:

- 6% on all Dec-Tec price page items
- 12% on all Dec-Tec membranes

We will be providing new price pages on and or before April 1st, 2025. With this news we are providing to you, 60 days written notice.

Please let me know if you have any questions.

Respectfully,
