

January 21, 2025

TO: TAMKO Distribution Partners
FROM: Alex Hines, Vice President of Sales and Chief Revenue Officer
SUBJECT: Discontinuation- Heritage® Vintage® shingles, StormFighter FLEX 3™ shingles, and certain Ventilation Products

TAMKO is making updates to its product lineup to better align with market demand and streamline our offerings. As part of this adjustment, we will be discontinuing select products and will continue producing others that align with current industry needs.

DETAILS

Effective immediately, TAMKO will be discontinuing the product lines below:

- **StormFighter FLEX™ 3 shingles:** Production of StormFighter FLEX™ 3 shingles has been discontinued. However, StormFighter FLEX™ 4 shingles will continue to be manufactured.
- **Ventilation Products:** TAMKO ventilation products, CoolRidge®, QuickVent®, Roll Vent®, Rapid Ridge®, Xtractor Vent®, and XLP Turbo are being discontinued.
- **Heritage® Vintage® shingles:** The Heritage® Vintage® line of shingles is also being discontinued.

You may contact your TAMKO sales representative to place orders for any remaining inventory. Orders will be accepted and fulfilled on a first come, first serve basis, while supply lasts.

QUESTIONS

Please contact your TAMKO Sales Representative with any questions.

We appreciate your ongoing loyalty to TAMKO products as we work to provide our customers with the best possible experience. Thank you.
