Dear CertainTeed Commercial Roofing Customers:

U.S. Commercial Roofing Products Price Increase **Effective April 1, 2022**

CertainTeed continues to be impacted by volatile raw material prices and increased transportation costs. Effective April 1, 2022, CertainTeed will be implementing a price increase as follows:

Product Family	Increase
Asphaltic Membranes (APP, BUR, SBS and SA)	Up to 7%

Orders in the system prior to March 1, 2022 will be price protected. Any orders shipped on or after April 1, 2022 that were not in the system prior to March 1, 2022 will be invoiced at the new price, regardless of the order entry date. You will be provided with updated price sheets at least two weeks prior to the effective date.

As a reminder, less than full truckload orders and LTL carrier shipments will be subject to freight and handling charges per the 2022 RPG Service Advantage Policy.
