Dear CertainTeed Siding Products Customer:

We thank you for your ongoing support of CertainTeed throughout these challenging times. We have worked hard to minimize the impact of rising raw material and transportation costs on our products. Even with these efforts, costs are increasing faster than we expected and we must now implement a price increase.

Prices will increase up to 10%, effective with orders received beginning May 3, 2021, for the product categories listed below:

- **CertainTeed Vinyl Siding, Soffit and Accessories**
- **Vytec Vinyl Siding, Soffit and Accessories**
- **Cedar Impressions® Polymer Shakes and Accessories**
- **Restoration Millwork, CertaTrim**
- **EverNew® Railing, Evernew® Vinyl Decking**

All orders and shipments after May 3rd will be billed at the new pricing.

New price sheets with specific details will be available in mid-April. All orders will be subject to current lead times and will be shipped at our plants' discretion.

Your Territory Manager will be following up with you directly to answer any questions. Thank you again for your strong support of CertainTeed Siding Products.

Sincerely,

Doug Pietrick
Vice President, Exterior Product Sales
