---

March 19, 2021

Dear Valued Norandex Customer:

We thank you for your ongoing support of Norandex throughout these challenging times. We have worked hard to minimize the impact of rising raw material and transportation costs on our products. However, even with these efforts costs are increasing faster than we expected and we must now implement a price increase.

**Prices will increase between 8-10%, effective with orders received beginning May 3, 2021, for the product categories listed below:**

- **Norandex Vinyl Siding, Soffit and Accessories**
- **Rustic Hill Polymer Shakes and Accessories**

All orders and shipments after **May 3, 2021** will be billed at the new pricing.

New price sheets with specific details will be available in mid-April. All orders will be subject to current lead times and will be shipped at our plants' discretion.

We appreciate your continued support to the Norandex brand and our entire product portfolio of Siding, Windows, Doors, Fanfold, Housewrap and Metal. If you have any other questions please contact your BDM or Customer service Team at (800) 528-0942.

Sincerely,
