

September 8, 2021

To our valued Exterior Portfolio® Customers:

We continue to face challenges with accessibility of raw materials along with escalating costs. Despite our best efforts, raw material prices continue to increase and we need to implement a price increase on all Exterior Portfolio® Vinyl Siding products effective October 1, 2021.

For all orders placed by Thursday, September 30 by 5:00pm EST, your current pricing will remain the same. For all orders placed on or after Friday, October 1, the increased price will be in effect. Details of the increase are as follows:

All Vinyl Siding	10%-12%
Insulated Siding	10%-12%
Portsmouth Shake	10%-12%
All Soffit styles	10%-12%
All Vinyl Siding Accessories	10%-12%
Shutters, Mounts and Vents	10%-12%

We appreciate your continued support and partnership. If you have any questions, please contact your Territory Manager or Customer Service Representative.

Sincerely,

Bill Conlon  
Vice President, US Sales
