Dear CertainTeed Roofing Customers:

US Builder/Multi-Family/ Job Quotes
Roofing Products Price Adjustment:
Effective July 3, 2023

Subsequent to our recent announcement on our Residential Roofing price increase effective May 15, 2023, we will be raising our prices on all Builder, Multi-Family housing, and job specific quotes as of July 3, 2023 by up to 5%.

This adjustment is due to continued volatility in raw material costs associated with the manufacturing of Asphalt Shingles and Accessories.

Your CertainTeed Territory Manager, Key Account Manager, or Sales Manager are available to answer any questions related to our price change to this group of customers.

We appreciate your continued support of CertainTeed Roofing Products.

Sincerely,

Doug Pietrick
Vice President, Sales
