Dear CertainTeed Roofing Customers:

**US Builder/Multi-Family/Large Job Quotes-Invoice Verification
Roofing Products Price Adjustment:
Effective July 1, 2021**

Subsequent to our previous announcement on our Residential Roofing price increase effective April 5, 2021, we will be raising our prices on all Builder, Multi-Family housing, job specific quotes and invoice verification prices as of July 1st 2021 by up to 12%.

This adjustment is due to increasing raw material costs associated with the manufacturing of Asphalt Shingles and Accessories.

Your CertainTeed Territory Manager, Key Account Manager, or Sales Manager will be happy to answer any questions related to our price change to this group of customers.

We appreciate your continued support of CertainTeed Roofing Products.

Sincerely,

Doug Pietrick
Vice President, Sales
